Due to the continued spread of Covid-19, no food or drink will be served and there will be no exhibits or programs before the General Meeting.

RIGHT TO PARTICIPATE AND NOTICE

There are two ways for shareholders to participate in the Meeting: (i) attending the Meeting in person or by proxy, or (ii) participating by postal voting. In either case, if the shares are registered in the name of a nominee, they must be temporarily re-registered in the name of the shareholder (as further described below).

Participation in person or by proxy

Shareholders who wish to attend the Meeting in person or by proxy must:

- be recorded as shareholder in the share register maintained by Euroclear Sweden AB on Tuesday, April 19, 2022, and
- give notice of their intention to participate in the Meeting, not later than Thursday, April 21, 2022, according to the instructions below.

Notice of participation in the Meeting shall be made on the Company's website home.sandvik, by telephone +46 (0)26-26 09 40 weekdays 9:00 a.m.–4:00 p.m. or by letter to Computershare AB, "Sandvik's AGM", Box 5267, SE-102 46 Stockholm, Sweden. When giving notice of participation, please state name, personal or corporate registration number, address and telephone number and the number of assistants (maximum two), if any.

If participation in the Meeting is by proxy, a written and dated proxy signed by the shareholder must be submitted to the address stated above in advance of the Meeting. Proxy forms are available on the Company's website. A proxy issued by a legal entity must be accompanied by a registration certificate or other authorization document. In order to facilitate registration at the Meeting, the proxy as well as the registration certificate or other authorization document should be received by the Company at the above address not later than Thursday, April 21, 2022.

Postal voting

The Board of Directors has decided that shareholders should be able to exercise their voting rights by postal voting. Shareholders who wish to participate in the Meeting by postal voting must:

- be recorded as shareholder in the share register maintained by Euroclear Sweden AB on Tuesday, April 19, 2022, and
- give notice of their intention to participate in the Meeting by submitting their postal votes, not later than Thursday, April 21, 2022, according to the instructions below.

A special form must be used for the postal vote. The form for postal voting is available on the Company's website home.sandvik. The completed and signed form for postal voting shall be sent by e-mail to info@computershare.se or by post to Computershare AB, "Sandvik's AGM", Box 5267, SE-102 46 Stockholm, Sweden. Such electronic votes must also be submitted not later than Thursday, April 21, 2022.

The shareholders may not provide special instructions or conditions to the postal vote. If so, the entire postal vote is invalid. Further instructions and conditions can be found in the postal voting form.

If a shareholder submits its postal vote through a representative, a written and dated proxy signed by the shareholder must be attached to the postal voting form. Proxy forms are available on the Company's website. A proxy issued by a legal entity must be accompanied by a registration certificate or other authorization document.

Shareholders who wish to attend the Meeting in person or by proxy must give notice to the Company in accordance with the instructions under "Participation in person or by proxy" above. This means that a notice of participation by postal voting only is not enough for a shareholder who wants to attend the Meeting in person or by proxy.

Shares registered in the name of a nominee

Shareholders whose shares are registered in the name of a nominee must, to be entitled to participate in the Meeting (including via postal voting), temporarily have re-registered the shares in their own name so that the shareholder is registered in the share register as of Tuesday, April 19, 2022. Please note that this procedure also applies with respect to shares held on a bank's shareholder deposit account and certain investment savings accounts. Request for such voting rights registration shall be made to the nominee, in accordance with the nominee's routines, at such time in advance as decided by the nominee. Voting rights registration that has been made by the nominee not later than Thursday, April 21, 2022 will be taken into account in the preparation of the share register.

The Nomination Committee proposes attorney Sven Unger as Chairman of the Meeting or, in the event he is prevented from participating, the person appointed by the Nomination Committee.

Item 11 – Dividend and record day

11.1 Cash dividend

The Board of Directors proposes that the Annual General Meeting resolve on a cash dividend of SEK 4.75 per share. Friday, April 29, 2022 is proposed as the record day. If the Meeting approves these proposals, it is estimated that the dividend be paid by Euroclear Sweden AB on Wednesday, May 4, 2022.

11.2 Distribution of all shares in Sandvik Materials Technology Holding AB (to be renamed Alleima AB)

On October 18, 2021, the Board of Directors of Sandvik AB ("Sandvik") publicly announced its intention to distribute the business area Sandvik Materials Technology during the second or third quarter 2022 to Sandvik's shareholders and to list the shares on Nasdaq Stockholm.

The Board of Directors proposes that the Annual General Meeting resolves that all shares in the wholly-owned subsidiary Sandvik Materials Technology Holding AB, reg. no. 559224-1433 (to be renamed Alleima AB) ("Alleima"), including the underlying group, be distributed, whereby five (5) shares in Sandvik entitle to one (1) share in Alleima. If a shareholder's shareholding in Sandvik is not evenly divisible by five (5), the fractions of shares which the shareholder's shareholding in Sandvik otherwise would entitle to will be combined with all other shareholders' fractions of shares into whole shares in Alleima, which will be sold on Nasdaq Stockholm through Skandinaviska Enskilda Banken AB (publ). The proceeds from such sale, free of any commissions, will then be paid to such shareholders through the

Euroclear system on a pro rata basis.

The Board of Directors further proposes that the Annual General Meeting authorizes the Board of Directors to determine the record date for the right to receive shares in Alleima. The record date is expected to take place on August 29, 2022, and the distribution of and first day of trading in the Alleima share on Nasdaq Stockholm is expected to occur on August 31, 2022.

The distribution of the shares in Alleima is expected to be made in accordance with the so-called Lex Asea rules.

An information brochure containing additional information regarding the distribution and Alleima's business is available on Sandvik's website home.sandvik.com.

Item 17 – Approval of remuneration report

The Board of Directors proposes that the Annual General Meeting approves the Board of Directors' remuneration report.

Item 18 – Resolution on a long-term incentive program (LTI 2022)

Background

Since 2014 Sandvik's Annual General Meeting has annually resolved on long-term incentive programs for senior executives and key employees, in the form of performance share programs requiring investment by all participants. The Board of Directors considers that these programs fulfill their purpose of aligning the interests of the participants and the shareholders, strengthening the Sandvik Group's ability to attract, retain and motivate qualified employees and strengthening Sandvik's focus and objective to meet its long-term business goals. Accordingly, the Board of Directors proposes that the Annual General Meeting resolve on a long-term incentive program for senior executives and key employees for 2022 ("LTI 2022") on the below terms and conditions.

General

LTI 2022 encompasses approximately 350 senior executives and key contributors in the Sandvik Group. Due to the planned spin-off and subsequent listing of Sandvik's business area Sandvik Materials Technology ("SMT listing"), SMT employees will not be offered participation in LTI 2022. The maximum number of Sandvik shares that can be allocated pursuant to LTI 2022 is 1.9 million shares, which corresponds to approximately 0.15 percent of the number of outstanding shares in Sandvik.

In order to participate in LTI 2022 the employee is required to invest in Sandvik shares at market price no later than June 30, 2022 ("Investment Shares"). In the event that the employee is not able to invest before this date due to being entered in an insider list (logbook) kept by Sandvik, the Board of Directors shall be entitled to postpone the date of investment for such employee. The employee may within the scope of LTI 2022 invest up to an amount corresponding to 10 percent of the employee's fixed annual salary before tax at the time of the investment.

Provided such acquisition of Investment Shares is made, participants of LTI 2022 will be entitled to allotment of Sandvik shares, free of charge, after a period of three years on the terms and conditions set forth below.

Performance Shares

Each acquired Investment Share entitles participants to be allotted Sandvik shares provided certain performance targets are met ("Performance Shares"). The maximum number of Performance Shares that may be allotted for each acquired Investment Share depends on the Participant's program category as follows:

- 8 for the President,
- 7 for each additional member of the Group Executive Management (currently 9 persons),

- 6 for each senior manager (approximately 60 persons), and
- 5 for each key contributor (approximately 280 persons).

Each member of the Group Executive Management, with the exception of SMT's President, shall nominate the persons that are to be offered participation in LTI 2022 and that are to be classified as senior manager and key contributor, respectively, based on position, qualification and individual performance. All nominations are to be approved by the President and CEO.

The number of Performance Shares that will finally be allotted to the participant for each acquired Investment Share is dependent on the development of the Sandvik Group adjusted Earnings Per Share ("EPS"), excluding amortizations and other accounting effects arising from business combinations, during the financial year 2022 ("EPS 2022"), compared to adjusted EPS, excluding amortizations and other accounting effects arising from business combinations, for the financial year 2021 ("EPS 2021"). Subject to the SMT listing taking place, EPS 2021 and EPS 2022 will exclude SMT. The Board of Directors establishes the levels regarding adjusted EPS that must be attained for allotment of a certain number of Performance Shares. Allotment will take place as follows:

- One Performance Share will be allotted for each acquired Investment Share if EPS 2022 exceeds EPS 2021.
- In order for any remaining Performance Shares to be allotted EPS 2022 growth must exceed 5 percent in relation to EPS 2021. The EPS growth required for the maximum number of Performance Shares to be allotted for each acquired Investment Share is established by the Board of Directors.

The level required for maximum allotment and the extent to which the established levels are attained will be disclosed in the 2022 Annual Report.

Prerequisites for allotment

The allotment of Performance Shares requires continuous employment and that all Investment Shares be held during a period of three years from the acquisition of the Investment Shares ("Vesting Period"). The Chairman of the Board of Directors may in special cases grant exemptions from these requirements for individual participants, whereas the Board of Directors may decide on any such exemption concerning groups of participants.

If the prerequisites for allotment set forth for LTI 2022 are met, allotment of Performance Shares will take place during 2025, and no later than June 30, 2025. The allotment will take place free of charge, subject to tax.

Adjustment of the number of Performance Shares etc.

Before the allotment of Performance Shares takes place, the Board of Directors shall consider whether the number of Performance Shares is reasonable taking into account the financial results and position of Sandvik, the impact of larger acquisitions, divestments and other significant capital transactions, stock market conditions and other circumstances. If the Board of Directors deems that this is not the case, the Board of Directors shall reduce the number of Performance Shares to the lower number the Board of Directors finds appropriate or decide that no allotment should take place.

In the event of a bonus issue, split, rights issue and/or other similar events in Sandvik, the Board of Directors shall be entitled to decide on the recalculation of the terms of LTI 2022.

An alternative cash based incentive solution may be implemented for participants in

countries where the acquisition of Investment Shares or allotment of Performance Shares is not appropriate, or if such solution is otherwise considered appropriate. Such alternative incentive solution shall to the extent practically possible be designed to correspond to the terms of LTI 2022. The President and CEO shall be authorized to decide which persons that should be offered participation in the cash based incentive solution.

The Board of Directors, or a committee appointed by the Board of Directors for this purpose, shall be responsible for the detailed design and administration of LTI 2022 based on the main terms set forth herein.

The right to be allotted Performance Shares cannot be transferred and does not give the participant a right to compensation for dividend distributed during the Vesting Period with respect to the underlying shares.

Costs of LTI 2022 and hedging arrangements

The number of Sandvik shares that will be needed for LTI 2022 will depend on the Sandvik share price at investment and the participation rate. To secure an adequate number of shares, given the increased market volatility, a Sandvik share price of SEK 160 has been used when calculating the maximum number of shares needed. Based on this share price the total cost of LTI 2022 is estimated at up to SEK 333 million. The costs have been calculated as the sum of personnel costs, including social security costs of SEK 55 million, and administration costs of approximately SEK 2 million for the program. Based on a share price of SEK 235 (which would result in fewer Sandvik shares being needed) the total cost is estimated at up to SEK 346 million, of which SEK 57 million constitutes social security cost and approximately SEK 2 million constitutes administration costs. The costs for LTI 2022 will be allocated over the years 2022–2024.

Sandvik intends to secure its commitment to deliver Sandvik shares under LTI 2022 through a share swap agreement with a third party. The interest cost for such a share swap is estimated at approximately SEK 1.4 million per year based on the current interest levels, regardless of whether the calculation is based on a share price of SEK 160 or SEK 235. Against this cost, however, stands the value of possible dividends.

Preparation of the proposal

The proposal has been prepared by the Board's Remuneration Committee and has been discussed and resolved on by the Board of Directors. The President has not taken part in the Board of Directors' discussion and resolution with respect to the proposal.

Majority requirement

The resolution regarding LTI 2022 requires a majority of more than half of the votes cast at the Meeting.

Other

For a description of other long-term incentive programs within Sandvik reference is made to note G4 in Sandvik's 2021 Annual Report and to the Company's website.

Item 19 – Authorization of the Board of Directors to resolve on acquisition of the Company's own shares

The Board of Directors proposes that the Annual General Meeting authorizes the Board of Directors to, for the period until the 2023 Annual General Meeting, resolve on acquisitions of the Company's own shares in accordance with the following conditions.

- Acquisitions shall take place on Nasdaq Stockholm.
- Acquisitions may only be made at a price per share within the price range (spread) applicable from time to time, meaning the spread between the highest purchase price and the lowest selling price prevailing and disseminated by Nasdaq Stockholm from time to time.
- The Company may acquire a maximum number of shares so that the Company's holding at any time does not exceed 10 per cent of the total number of shares in the Company.
- The authorization may be utilized on one or several occasions up to the 2023 Annual General Meeting.

The purpose of the authorization is to enable the Board of Directors to continuously adapt the Company's capital structure and thereby contribute to increased shareholder value.

In order for the resolution on authorization to be valid, it must be supported by shareholders representing at least two thirds of the votes cast as well as the shares represented at the Annual General Meeting.

Item 20 – Resolution on amendment to the Articles of Association

The Board of Directors proposes that the Annual General Meeting resolve to amend the Articles of Association as proposed below:

Current wording	Proposed new wording
<p>§ 6 Insofar as it is elected at a General Meeting of the Shareholders, the Board shall consist of not less than five and not more than <i>eight</i> Directors <i>and not more than five Deputy Directors</i>.</p>	<p>§ 6 Insofar as it is elected at a General Meeting of the Shareholders, the Board shall consist of not less than five and not more than <i>ten</i> Directors.</p>
<p>§ 11 The following matters shall be dealt with at the Annual General Meeting: [...] 10. determination of the number of Directors <i>and Deputy Directors</i>; [...]</p>	<p>§ 11 The following matters shall be dealt with at the Annual General Meeting: [...] 10. determination of the number of Directors; [...]</p>

The Board of Directors currently consists of eight Board members elected by the General Meeting, i.e. the maximum permitted by the Articles of Association. The increase in maximum number of Board members is proposed to allow the Nomination Committee more flexibility in its work when preparing the proposal for the Company Board. Furthermore, the option for the General Meeting to elect deputy Board members is removed.

The Board of Directors also proposes that the President shall be authorized to make any minor adjustments to the resolution that may prove to be necessary in connection with the registration of the Articles of Association with the Swedish Companies Registration Office.

In order for the resolution on amendment to the Articles of Association to be valid, it must be supported by shareholders representing at least two thirds of the votes cast as well as the shares represented at the Annual General Meeting.
